June Meeting Highlights

At our June meeting Field Day was the central focus of the meeting, plans were tweaked and finalized for the event Peter and Pat each put on a

presentation related to the June event. Peter walked the members through what was to come this Field Day in a concise and well put together presentation. Pat put on a presentation of past Field Days going back to well into the 1980s. There was much ARCEC history in Pat's presentation. Hope to see you at Field and at our next meeting in July.
